PROGRAMME

International Publishers Exhibition

Dear Colleagues,

The last two years we had to face a completely new reality. We had to change the way we see, handle and do things. We had to accept what was beyond our imagination and adapt to everything that was way out of our control. Professionally, we faced challenges and we entered a new virtual era, in which the IPEs tried their best to offer you the latest insights in products and opportunities for professional development.

The time has finally come for us to meet in person... and we have organized the IP in such a way that it will be worth visiting.

We have taken extra care to adjust our exhibitions to this new era and to implement all safety protocols. We constantly stay up-to-date with the national regulations and the best practice for exhibitions globally, in order to offer you and the staff a safe experience. Please consult our website a few days before coming to the exhibition for the latest applied regulations.

The support of exhibitors and presenters is overwhelming. You will have the chance to see the launch of new products, participate in innovative workshops and discuss with colleagues and friends. Once again, we will stage the largest foreign language teaching event in Greece.

The time has come for us to slowly take control over our lives, our professional future and our relationships.

The time for the Spring '22 Athens International Publishers Exhibition has come.

Proudly looking forward to welcoming all of you again,

International Publishers Exhibitions

Το αγαπημένο της κομμάτι στη δουλειά της είναι να βοηθάει τους ανθρώπους να ονειρεύονται και να είναι ουσιαστικά καλά παρά τις δυσκολίες.

POSITIVE LEADERSHIP

Έχουμε συνηθίσει να χρησιμοποιείται η λέξη leader για ανθρώπους που ηγούνται μεγάλες ομάδες, οργανισμούς, εταιρίες. Εντούτοις, ο καθένας από μας καλείται καθημερινά να είναι «ηγέτης» με τον έναν ή τον άλλο τρόπο σε διάφορα πλαίσια: ο εκπαιδευτικός είναι ο leader της τάξης του, ο προπονητής ο leader της ομάδας του, ο διευθυντής ενός φροντιστηρίου leader για όλες τις ομάδες ανθρώπων του σχολείου του, ο γονιός είναι ο leader της οικογένειας.

Πώς επιδρά η διάθεση του ηγέτη στην ομάδα του; Με ποιον τρόπο μπορούμε όλοι μας, από αυτόν τον ρόλο, να δημιουργήσουμε συνθήκες κατάλληλες για να μεταδίδονται στην ομάδα μας θετικά συναισθήματα; Τι ερωτήσεις κάνουμε αλλιώ; Πώς δίνουμε ανατροφοδότηση νοηματοδοτώντας τη θετικά;

Με εκκίνηση δεδομένα της Θετικής Ψυχολογίας θα εξερευνήσουμε όλα τα παραπάνω ερωτήματα και θα διδαχθούμε τεχνικές θετικής ηγεσίας.

QUESTIONING THE TEXT:

SUPPORTING READING COMPREHENSION FOR DYSLEXIC EFL STUDENTS

Vasiliki Lismani, Teacher, Board Member, SpLDs SIG coordinator

TESOL GREECE

Reading comprehension, understanding what the printed words mean as a whole rather than understanding individual language units, is considered fundamental in order to develop second language (L2) literacy. Whilst developing textual understanding can be a demanding task for many L2 learners, it poses extra difficulties to dyslexic students who are challenged by word recognition and therefore might spend too much time and effort in sounding words out. Relevant theory proposes that using prior knowledge can be an important part of reading comprehension instruction for students with dyslexia as they relate the written word to their previous experiences to make reading more personal, helping them to both understand and remember what they have read. The aim of this presentation is to show how dyslexic learners can maximize their textual understanding, formulating their own questions about the text so as to relate the text to their background knowledge and experiences (for example, to identify people's personality traits, feelings, and motivations). It is also suggested that this practice can help them develop their critical thinking and reasoning, and provide students with further opportunities to continue building background knowledge about the world.
