International Publishers Exhibition

Dear Foreign Language Professional,

Life is all about development, adaptability, evolution. For those to be accomplished several steps are required. There comes a moment when a step is larger than the others and its significance is greater. One of those moments for education is now!

As AI enters the classroom, teachers of all levels face a new reality and are expected to transform their daily teaching in order to emphasise on emotional intelligence while including the great advantage of technology.

Once again, the International Publishers Exhibitions (IPEs), with the [Spring '24 Thessaloniki IPE](#), will offer the latest insights on educational trends through presentations and a vast variety of materials exhibited. Throughout the event you will have the chance to interact with colleagues and exhibitors for the benefit of your professional and personal development. Innovative ideas will be presented in a practical manner in order for all participants to adapt their teaching to the future of education. The discussion group and a number of franchises will be present to help you evolve your business.

A new era for education has started and we invite you and your colleagues to join it. The organisers, exhibitors and presenters are eager to meet you once again, on Sunday, April 7th, at the cosy and familiar The MET Hotel.

Looking forward to welcoming you,
